Jeff I am told that the Renfroe lawyers made unreasonable demands for resolving the issues on the Rigsby sisters issue today. I was unable to be on the call and I am glad that I did not hear what was said directly, if it is true. I am going to wait til tomorrow to report to the Attorney General what they are up to because the response will not be pretty.....I do not know what else to do to keep this on track. Judge Senter issued an order today for a hearing on the 28th to answer questions on the settlement, State Farm may have to show up at the Dance alone. Don Barrett says he told Katherine about the issues, offered some solutions, and was told State Farm would not help to resolve any of it.
